

## BREAK TIME

### FOURTH PARTNERS ' MEETING

ITALY with its referent Michelina Petruzzi , coordinator of a KA229 BREAK TIME, as decided in the previous meeting with partners, organizes a meeting with all the partners' teams.

On 22nd December 2020 at 6pm the Erasmus partners' teams (12 colleagues) met online in a google meet to the link [meet.google.com/tik-fbsc-pcr](https://meet.google.com/tik-fbsc-pcr) to decide LOGO of the project BREAK TIME.

The coordinator, before introducing the competition, invites the team to share the results and steps of the last weeks. She shows to the partners the Games just made in her school CASANOVA on 21 and 22/12/2020 online as previously decided . Italian students played typical games as trivial-crossword- tombola . Romania explained they had challenge about games with thier students too on Kahoot.

After that the coordinator explains to the team that the challenge about the 29th logos realized by students will be made on google form to create impartiality and to be faster in the choice.

The competition results have been shared after everyone voted and 2 logos had more points n. 12 and 24. The team so decided to create a mix between the two ones to obtain the official LOGO and Italy will do this.

At the end , after sharing best wishes for Christmas holiday, all the partecipants agree to organize next meeting at the end of January only with the referent of each Country.
